

Dear Parents,

Euro Kids greatly appreciates your generous contribution towards the Dhurmus Suntali Foundation which went into the assistance of the flood victims of the Terai region. John Bunyan once said, "You have not lived today until you have done something for someone who can never repay you." Your support has really made a difference and we hope many more parents will put their best foot forward in the future if such a fundraising campaign is organized.

We would like to acknowledge the contribution of our donators.
